In the event that Customer’s purchase order is deemed to be an offer, the Company’s acknowledgement or performance of the purchase order is conditioned upon Customer’s acceptance of the Terms and Conditions and the Customer’s acceptance of delivery regarding customer’s purchase order constitutes acceptance of the Terms and Conditions
2. **Order and Shipment:** Customer will order Products by sending the Company a complete purchase order, in a form acceptable by the Company. The Company may reject the Purchase Order for any reason. The Company will not be bound by any terms and conditions set forth in Customer’s purchase orders, unless previously agreed to in writing. All shipments of Products by the Company or Customer will be FOB point of shipment. Insurance coverage, transportation costs and all other expenses applicable to shipment from the Company to Customer’s identified delivery place will be the responsibility of the Customer. Customer must notify the Company, by calling the Company within three (3) days after delivery, of any claimed shortages or rejections and the Company must receive a notice in writing from Customer via mail or facsimile within five (5) days of the claim. Failure to give such notice of a claim will be deemed an acceptance in full of any such delivery. Approval of any short shipment claim is in the Company’s sole power and discretion. In the event that the Company grants a short shipment claim, the Company will replace the lost or damaged Product or issue a credit memo, in its sole discretion. In the event that the Company does not approve the claim, Customer will pay the total invoice.
3. **Price and Payment:** Prices for Products will be as set forth in the Company’s then applicable price list, proposals or agreed upon pricing arrangements, which does not include applicable taxes, as defined herein and shipping costs. Customer will pay a late fee of one and one half percent (1.5%) per month of any outstanding balance owed, or the maximum amount permitted under applicable law. The Company reserves the right to withhold shipment of any part of an order or to require pre-payment of any given shipment if Customer does not make timely payment. Customer will pay all applicable taxes, duties, licenses, excises and tariffs (“Taxes”) levied upon the sale, purchase or delivery of the Products.
